

Welcome & Annual Spring Receptions

Friday evening's Welcome Reception for the golfers playing in the tournament on Saturday was a big hit as was the Bobby Jones Annual Spring Reception. Friday evening we heard from Pellom McDaniels and Campbell Hastings; Saturday evening was a wonderful opportunity for alumni of the program and members of the Friends of Bobby Jones to meet the scholars who will be headed to St Andrews in the fall and to talk to the scholars who have been at Emory about their year. Not to mention the delicious food! The culmination of a delightful year! Click [here](#) for more photos of the Welcome Reception

and [here](#) for more photos of the Spring Reception.
