This fall the Scholars and staff at Emory have been busy making connections and fostering relationships. In October, the Scholars were the guests of honor at the Atlanta Athletic Club's New Member Mixer. While there, Bob Jones IV, Catherine Lewis and Gene McClure spoke about the importance of the Bobby Jones Program and the legacy of Bobby Jones. In December, the Scholars and program staff visited the British Consulate, where they enjoyed meeting staff and delightful conversation over afternoon tea.

We hope to see you at the Spring Reception on Sunday, March 22, 2020 at Miller-Ward Alumni House.
